

FITZPATRICK & CO.

Accountants • Advisors

At Fitzpatrick & Company we're anything but your typical firm. We're passionate about ensuring our clients receive unparalleled accounting services. We work closely with our clients to understand what they and their businesses need to provide professional, reliable expertise that FITZ.

We are currently seeking another **Manager** to join our team!

The ideal candidate is a highly motivated individual with preference given to those who hold a CPA designation and/or have public accounting experience. They will be able to work efficiently in a fast-paced, team environment and should have a desire and commitment to grow and succeed with our firm.

Responsibilities will include preparation of working paper files for audits, review engagements, and notice to readers, financial statement preparation, tax planning and compliance assistance. A working knowledge of Tax Prep and CCH would be an asset.

Fitzpatrick & Co. value their employees and therefore have a strong compensation and benefits package including RRSP matching, fitness benefits, and maternity leave top-up. Remote working options are also available. Salary range is \$60,000 - \$85,000 annually. If you have experience and are interested in joining our team and sharing in our success, we would love to hear from you. Please send us your resume today!
